

MY CURRENT BUDGET

1. Thinking about the money you get every week, fill out the table below:

MONEY COMING IN

WEEKLY
MONTHLY

| | |
|-------------------|-------|
| Benefits | |
| Wages (from work) | |
| | |
| | |
| | |
| | |
| | |

To convert monthly amounts to weekly amounts:

$$\text{£ monthly} \times 12 \div 52$$

To convert weekly amounts to monthly amounts:

$$\text{£ weekly} \times 52 \div 12$$

TIP

Use weekly or monthly amounts - don't mix them up!

2. Thinking about the money you spend every week, fill out the table below:

MONEY GOING OUT (Outgoings)

WEEKLY

MONTHLY

Rent

utility bills: water, gas, electricity

Council tax

Travel

Mobile phone

Shopping for food and household stuff

Total outgoings

Some of your outgoings may be:

TV License
Cigarettes
Clothes

If you take away (-) your total outgoings from your total income, do you have any money left over?

Total income

Total outgoings
